

Welcome to Daisies: The Sunshine Club!

Thank you for allowing your daughter to be part of the Daisies Club. In Daisies she will learn Bible stories, exciting new songs, go on Adventures, and earn colorful badges. Dori, Darcy, and Diana are the central characters in Daisies. They will help guide your daughter through life application lessons learned from the Bible stories.

Units and Badge Requirements

The Daisies Club is a 1-year program for kindergarten girls. The curriculum is unit based; therefore, it is extremely visitor friendly. Each unit has four lessons and can be completed in 1 month. Your girl will need to complete 9 units during her time in Daisies Club.

When your daughter brings home a Daisies emblem badge she has memorized the Daisies Club distinctives (pledge, motto, colors, Scripture verse, and song). After completing a unit, she will earn a colorful unit badge to wear on her sash. To earn a unit badge, she must complete the age-appropriate unit activity pages, memorize the unit memory verse, and complete one craft from the unit.

After completing 9 units, she will be eligible to wear the Honor Daisy Pin and will be considered an Honor Daisy.

Uniforms

Daisies wear a navy jumper with a white shirt as the official uniform. A matching navy sash displays the Mpack and club emblem badges. The achievement badges are placed on the sash from left to right, top to bottom, as they are earned. Ask your Mpack coordinator for a copy of the reproducible badge placement page or visit the National Girls Ministries Web site at ngm.ag.org to view the badge placement instructions. Daisies may also wear the Daisies T-shirt with or without the sash as the official casual uniform. Casual uniforms are an option worn at your church's discretion.
