

Rainbows Club—A Parent's Guide

Welcome to the Wonderful World of Rainbows Club!

Thank you for allowing your child to be a part of the Rainbows Club. In Rainbows your child will learn exciting Bible stories, fun new songs, and earn colorful animal badges. Rainbows Club is built around a Noah's Ark theme; therefore, Mr. and Mrs. Noah make their appearance throughout the unit lessons.

Units and Badge Requirements

Rainbows is a program for preschool boys and girls. The curriculum is unit based, and is extremely visitor friendly. Each unit has four lessons and can be completed in one month. Your child will need to complete 18 units during his or her time in Rainbows Club.

When your child brings home a Noah's Ark badge he or she has memorized the Rainbows Club distinctives (pledge, motto, colors, Scripture verse, and song). After completing a unit, he or she will earn a colorful unit badge to wear on his or her vest. To earn a unit badge, your child must complete the age-appropriate unit activity pages and memorize the unit memory verse.

After completing 18 units (9 per year), your child will earn the Honor Rainbow Pin and will be considered an Honor Rainbow.

Uniforms

Your child's official dress uniform consists of a short navy vest. The achievement badges earned should be sewn onto the vest in random order as they are earned. Ask your church's coordinator for a copy of the reproducible badge placement page or visit the M'pact Web site at ngm.ag.org to view the badge placement instructions. Your child may also wear the Rainbows T-shirt as the official casual uniform. Casual uniforms are an option worn at your church's discretion.
